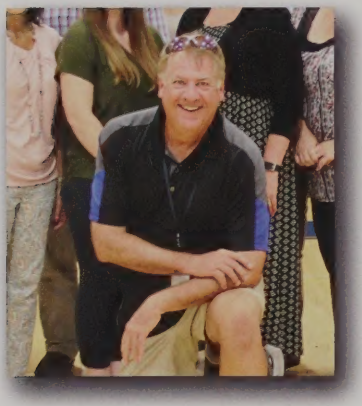
Retiring Teachers

Mr. William Drew



Physical Education Teacher

"Mr. Drew has been a cornerstone of the Physical Education department over the years and he will truly be missed. He has brought an energy and pizazz to his lessons through his storytelling, "Bill-isms", and an enthusiasm that is second to none. Even though Mr. Drew won't physically be at North so much of him will be left behind and no one will be able to hear the word B.E.E.F without thinking of him. He has dedicated his entire career to helping and serving the students of Plymouth through teaching and coaching and has done so with the utmost amount of pride, honor, and commitment. His love and passion for being an educator is so evident and the impact he has made on North and the legacy he leaves behind is irreplaceable. Mr. Drew has certainly left his mark on Plymouth North and on the hearts of all of his students and co-workers. We will miss you, Big Bear! "

YOUR PHYS ED FAMILY

Mrs. Maria DaSilva

English Language Teacher

"For those that know Ms da Silva she is Mother Earth of the school. Like mother earth, she provides us with all our needs. . She exudes positive spiritual energy. Always has a smile for faculty and students. Emanates love, warmth and nourishment to everyone who wants or needs it. Makes time for anyone. Most importantly, she is a mother figure to all her students and her magic reaches deep into the heart of all those that engage with her"

MR. PERLOW
History Department

Mr. Paul DeManche

Athletic Director

"For the last three years, Mr. Demanche has provided leadership and a new vision for the program. Working alongside him at many athletic events has been my privilege and pleasure. I have had first-hand knowledge of how hard he has worked for our student-athletes. Mr. Demanche has demonstrated a passion for athletics over his long career as an educator, coach, and administrator. I am positive we will see him at many athletic events as a spectator in the near future. Mr. Demanche will always have a home at Plymouth North. I wish him well in all of his future endeavors."

MRS. WOLCOTT
History Department

Mrs. Nancy Dawson

Virtual Classroom Teacher

Nancy Dawson has been a founder and leader in technology in Plymouth Public Schools for many years. Her contributions to the development of technology and instruction are evident in all of daily life at PNHS. From her early days of attending ISTE conferences in order to inform our technology practices to leading the online learning program providing educational opportunities that would not otherwise be available to our students, Nancy has provided a much needed spark. She always stayed ahead of the curve on the newest technology infused practices and shared them with our community with an eye for improved learning. Nancy has also been a treasure to our cultural community by openly sharing her storied and unique history and providing a much needed perspective on the struggles, progress, and needs of our communities near and far. Nancy will be greatly missed, and we thank her for her vast contributions to the education and development of our students!

MR. HUDSON
Technology Department

Mrs. Kim Latosek

Librarian

Kim Latosek is retiring this year after 23 years at Plymouth North! She worked for 7 years in Project Growth with Deborah Smith and Christine Belmonte before moving into the PNHS library. In her 16 years as a Library Aide she worked with three Librarians, Leslie Morris, Janet Prolman and myself. In addition to her regular duties as an aide, Kim organized and ran the "Giving Tree' drive each holiday season, providing Christmas cheer for many deserving PNHS students. The Library will not be the same without Kim's smiling face behind the circulation counter! Thank you, Kim, for your many years of dedicated service!

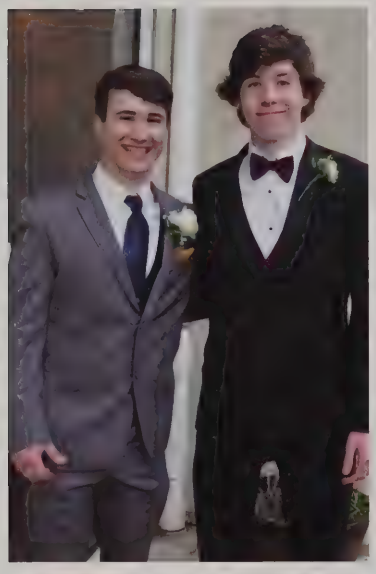
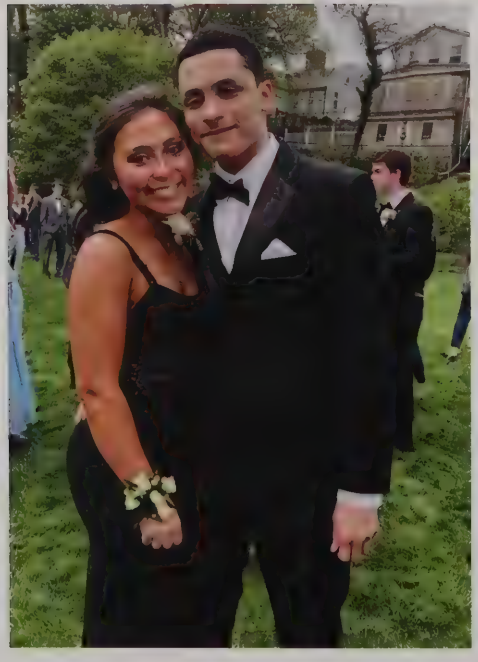
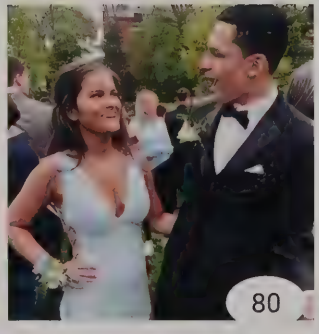
JUNIOR PROM

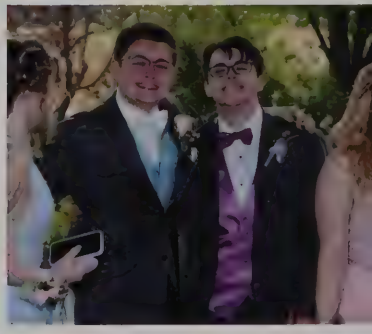
May 17, 2019 - INDIAN POND CC

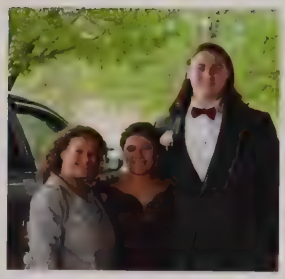


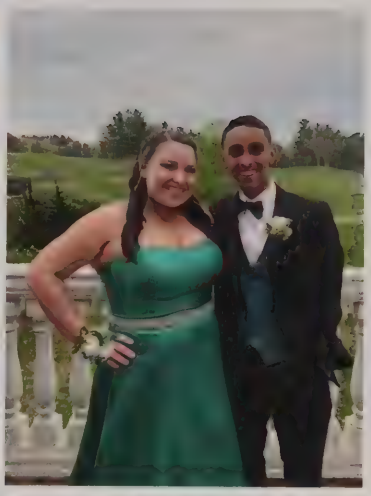
The Class of 2020 had a Fantastic night at their Junior Prom. From dressing up in those beautiful ballgowns and classy suits to taking pictures at Brewster Gardens to dancing the night away at Indian Pond Country Club. We are grateful to have an opportunity to come together to celebrate the end of our third year, moving onto the next as seniors. It's memories like these that have brought our class together, and moments we will cherish and take with us moving forward.

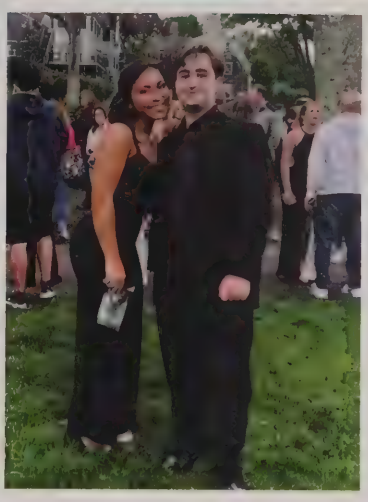


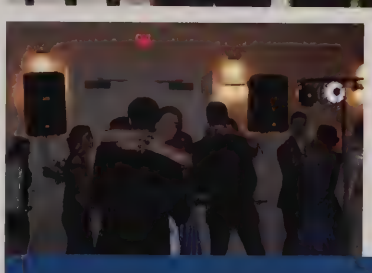


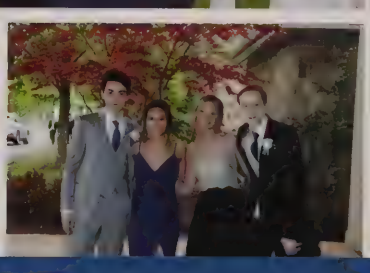


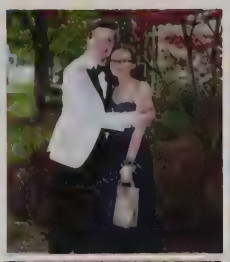


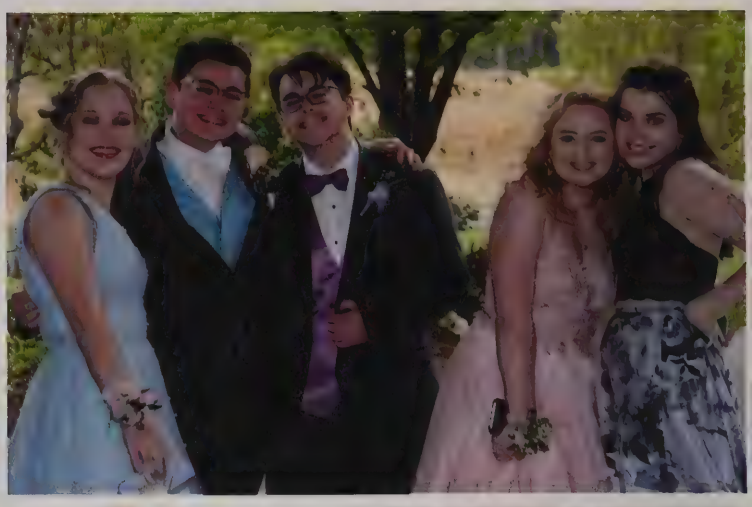


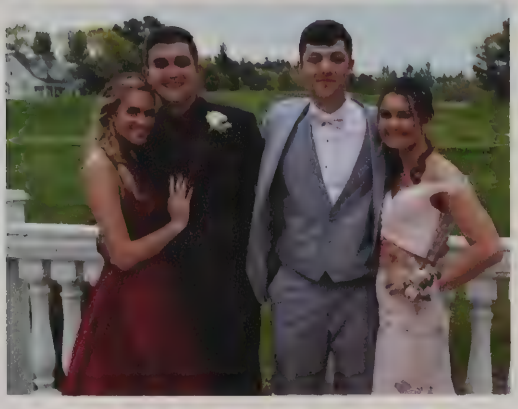


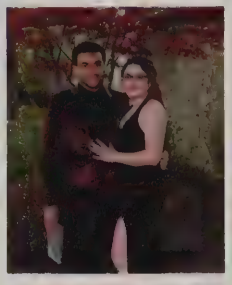


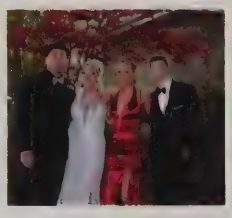


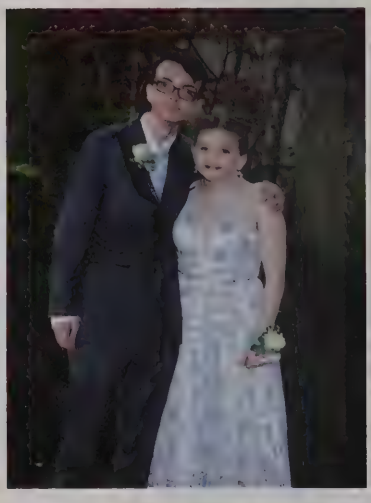


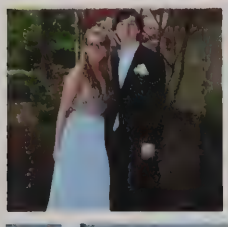


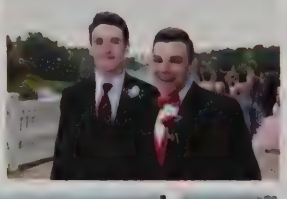


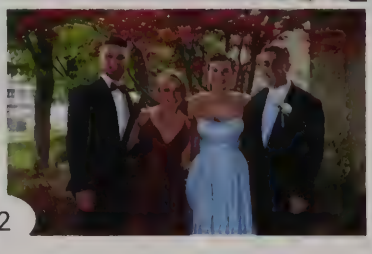


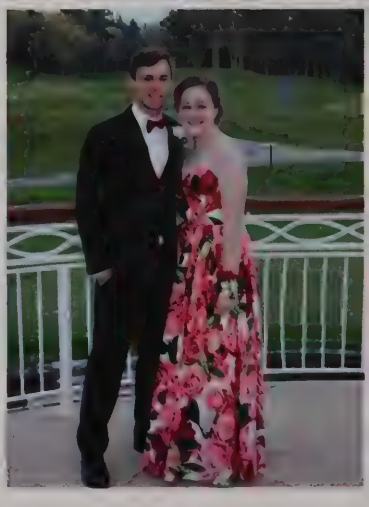


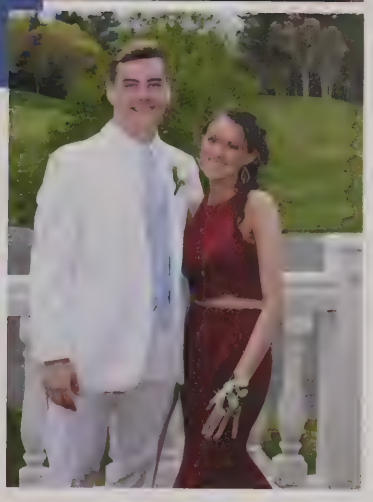


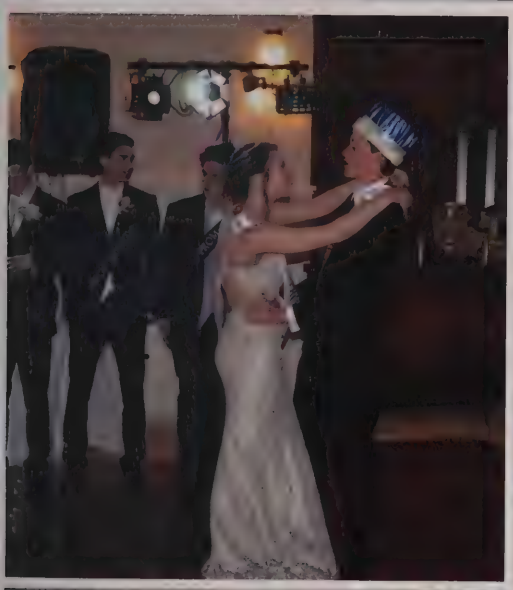


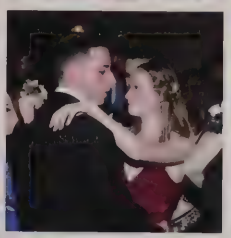


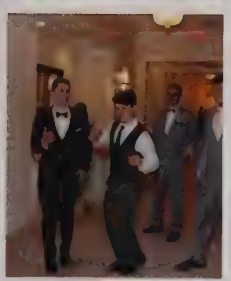


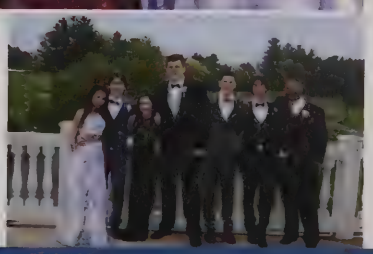






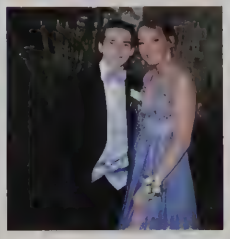


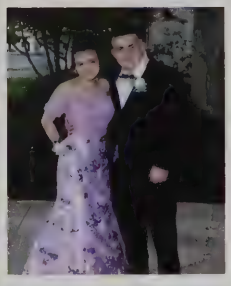


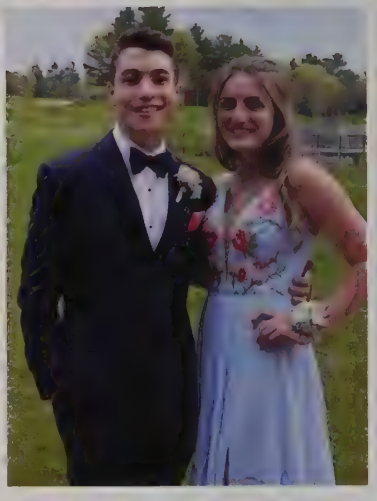


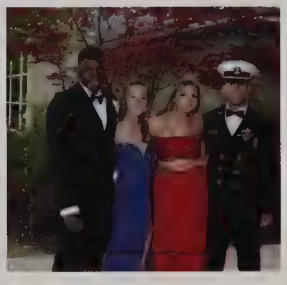
Look at all our beautiful and handsome Eagles dressed up for Prom!

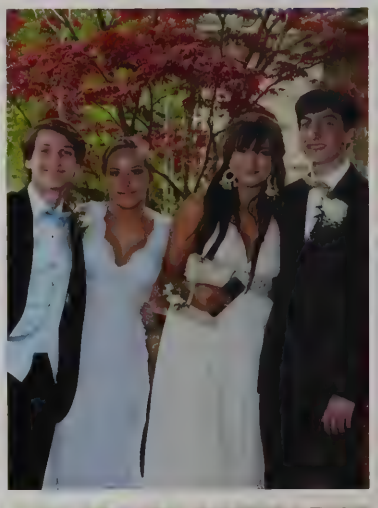
For many it was a night to remember as they spent time with their friends and dates.

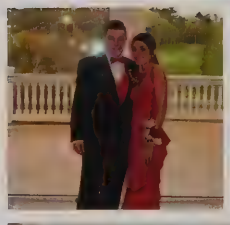


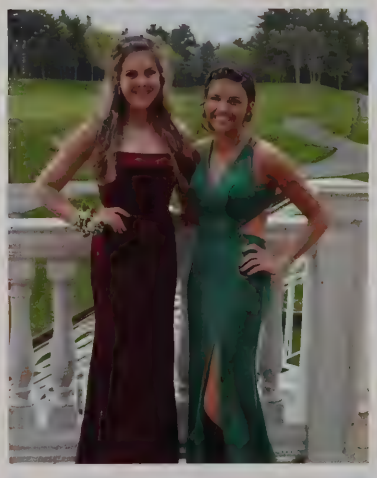


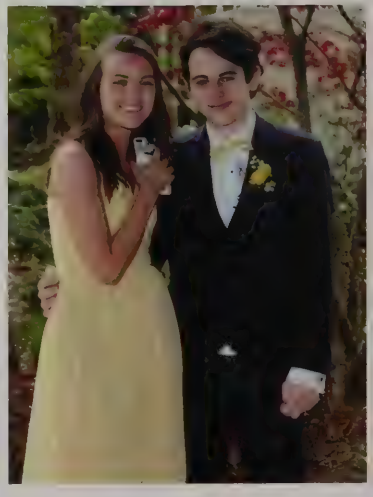


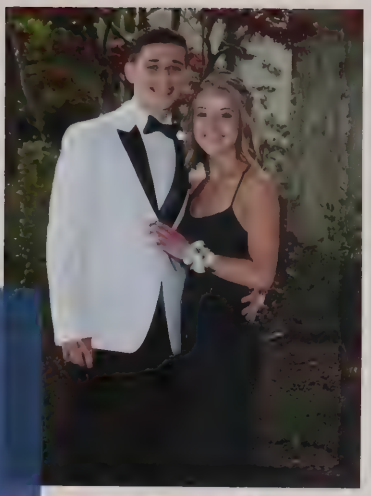






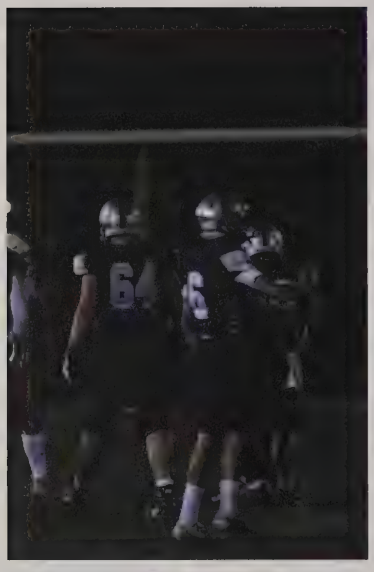






HOMECOMING GAME

OCTOBER 19, 2019 - PNHS

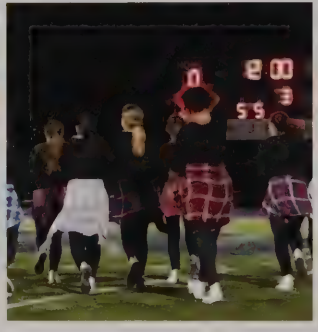


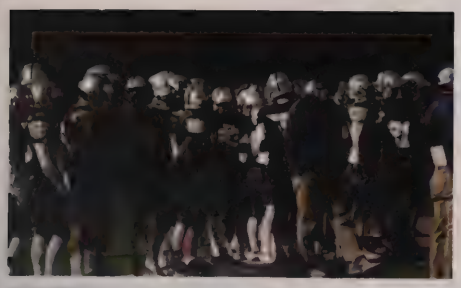
Plymouth North takes pride in their sports teams, especially when it comes to football! During football games and particularly the homecoming game, the whole school comes together to cheer on these athletes whether they are cheerleaders, dancers, or even the football players.
The game against Hingham was thrilling and exciting. Many were on the edge of their seats to see the outcome and were still thrilled to have been able to see such a great game despite the results at the end of the fourth quarter.
We take pride in our sports at PNHS and it allows all of us to come together

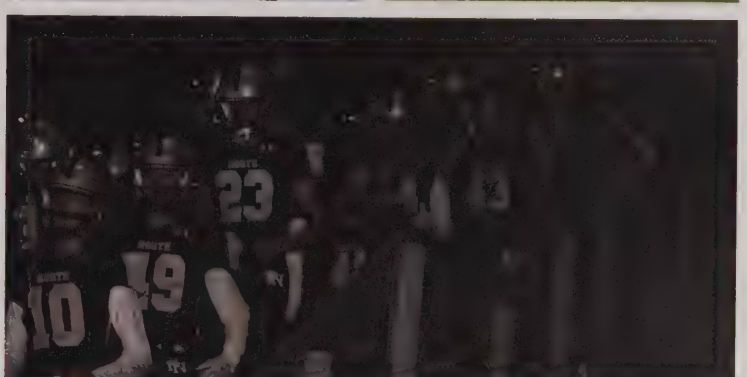
SCHOOL SPIRIT!

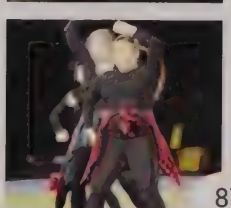
Here we can see some of our students cheering on the football team decked out in white and blue, wearing beaded necklaces and wearing paint.

These students love coming to games and sharing their school spirit!







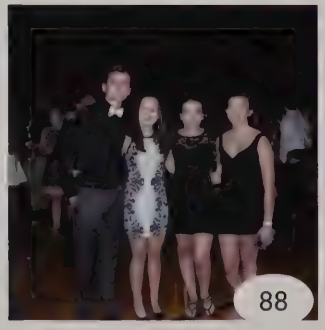


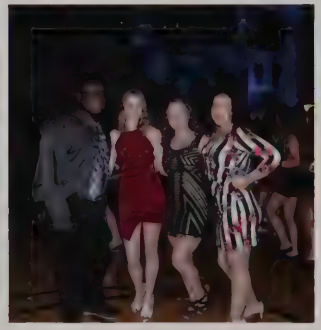
The Eagles tried really hard this homecoming game. Everyone could tell that they put in a lot of hard work and effort. Good job Eagles!

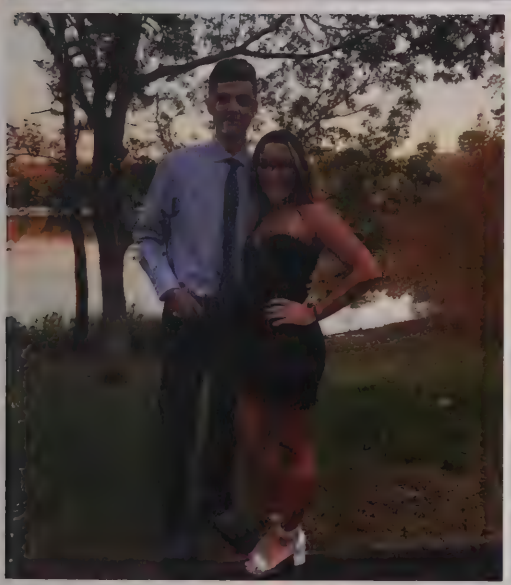
HOMECOMING DANCE

OCTOBER 20, 2019 - PNHS

An event that gives students an opportunity to come together to get dressed up, dance and to celebrate the start of new school year.



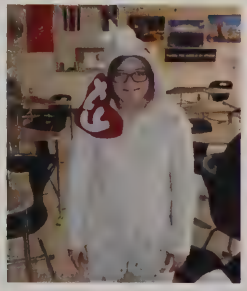




HALLOWEEN

OCTOBER 31, 2019 - PNHS

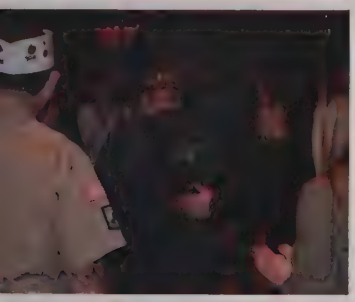
Always great to see students bring Halloween to life each school year by dressing up in costumes. We have always found Plymouth North students and teachers never fail to bring school spirit for this holiday.

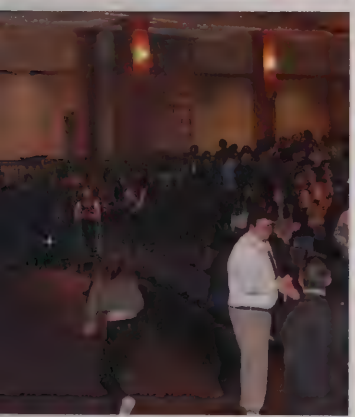


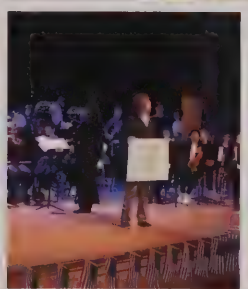
VETERANS DAY

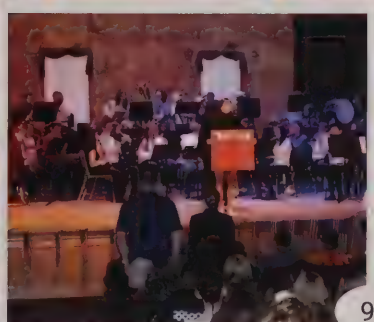
NOVEMBER 9, 2019 - PNHS

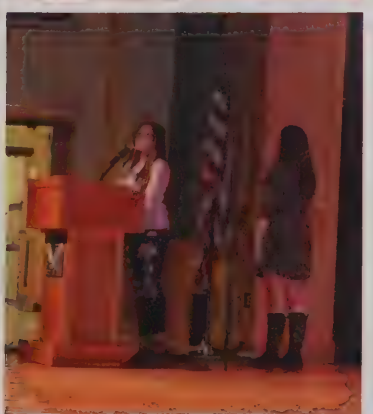
Veterans day is a federal holiday that is celebrated each year in the U.S to honor military veterans, as in those who have served in the U.S Armed Forces. Plymouth North always organizes an event to shed light on this holiday by bringing all students together as a way to thank those who have fought for our country.





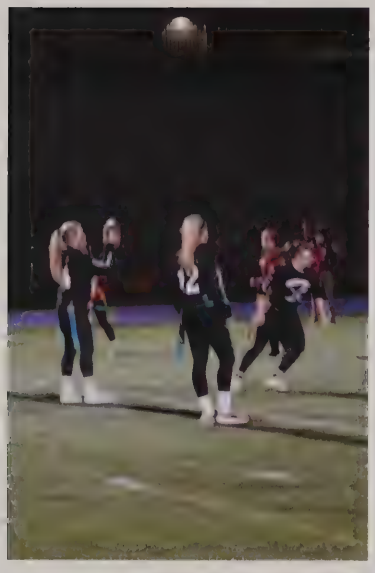






POWDERPUFF

NOVEMBER 7, 2019 - PNHS



The flag football game when girls from each class come together to compete against each other, also being coached by boys from there same grade, at Plymouth North. Its a great opportunity for girls to play in a football game while also being supported by fellow classmates.

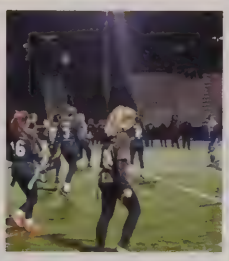
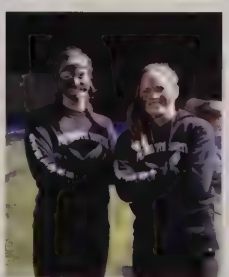
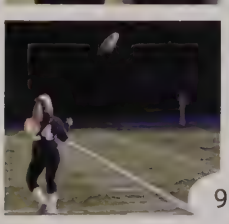
COACH TAM



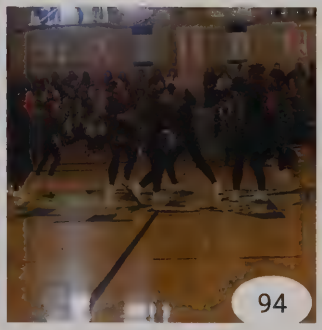


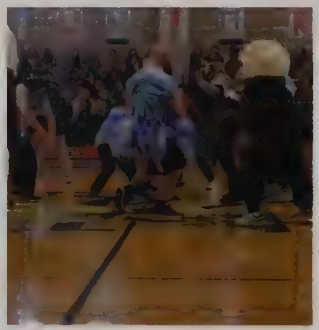


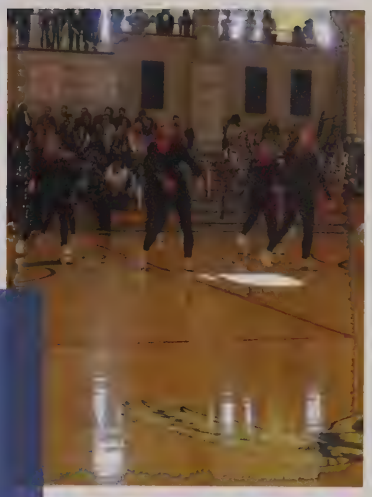
PEP RALLY

NOVEMBER 29, 2019 - PNHS

A time for all students to gather together before the thanksgiving game to help give support and luck for the football team. Its a great way to encourage school spirit by coming together in support of sports teams at our school.







THANKSGIVING GAME

NOVEMBER 28, 2019 - PSHS

The thanksgiving football game is always a day to look forward to, for it brings students together to support our school on a day of thanks. It is a good way for the near end of the season to play against our rival Plymouth South. This year, Plymouth North got to celebrate their victory over Plymouth South with the Thanksgiving Trophy. It was a great way to celebrate on this day and they put a lot of hard work to get that win.

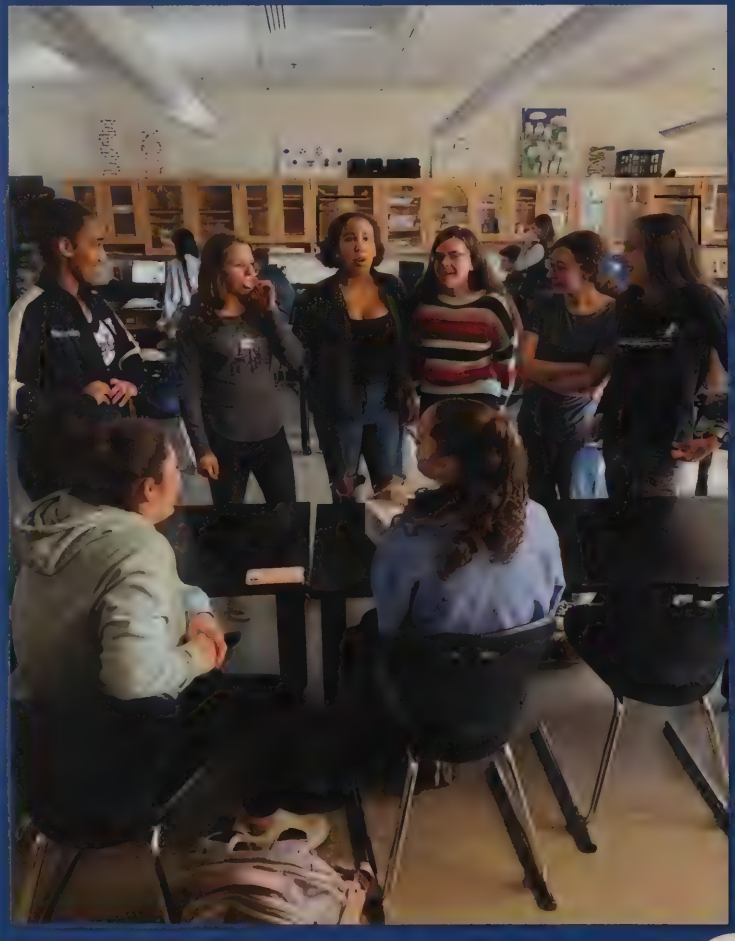
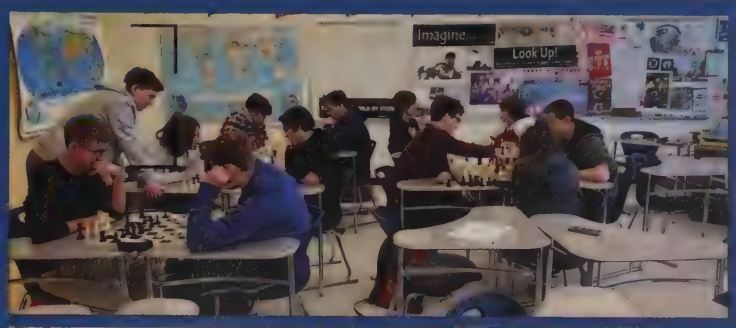
Brodcasting Club

Broadcasting club is new to Plymouth North this year and is run by Mr. McNamara and members of EDTV. Members of the broadcasting club get to learn about film and broadcasting equipment, and have the opportunities to create and design all of the school's announcements. Broadcast Club also brings you "Mr. Parcelin's Neighborhood," the live announcements.



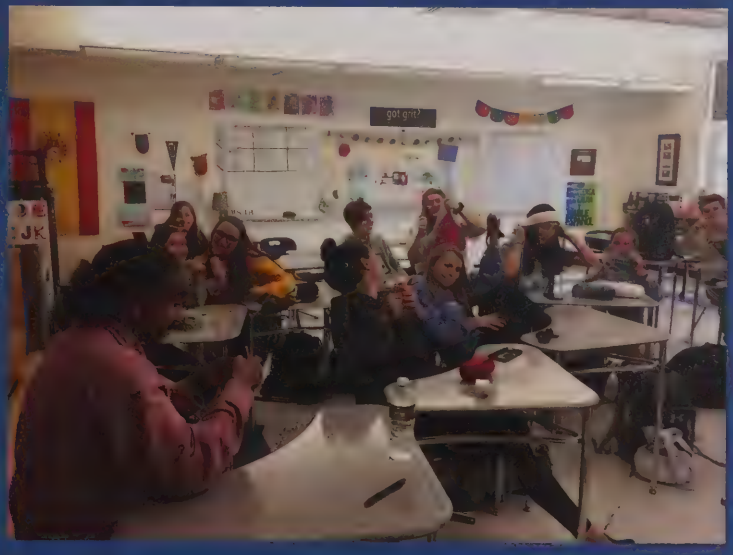
Environmental Club

Environmental club is run by presidents, Delyla Coleman and Grace McNeil, with the help of Ms. I. Students have the opportunity to have discussions and set up events to benefit the future of the environment. They focus a lot on environmental advocacy and are involved in bigger organizations that help the environment. They even had, "Free Food Faira" where they gave out free environmentally friendly food.



Chess Club

Chess Club meets on Tuesdays after school in either Mr. Hales or Mr. Buckley's room. Chess club is a fun time for students to compete against other students and occasionally against teachers. They also compete against other schools within the district.

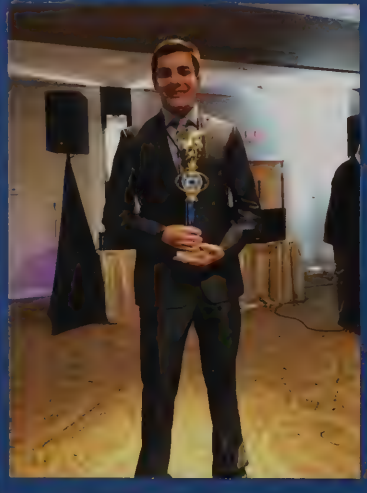


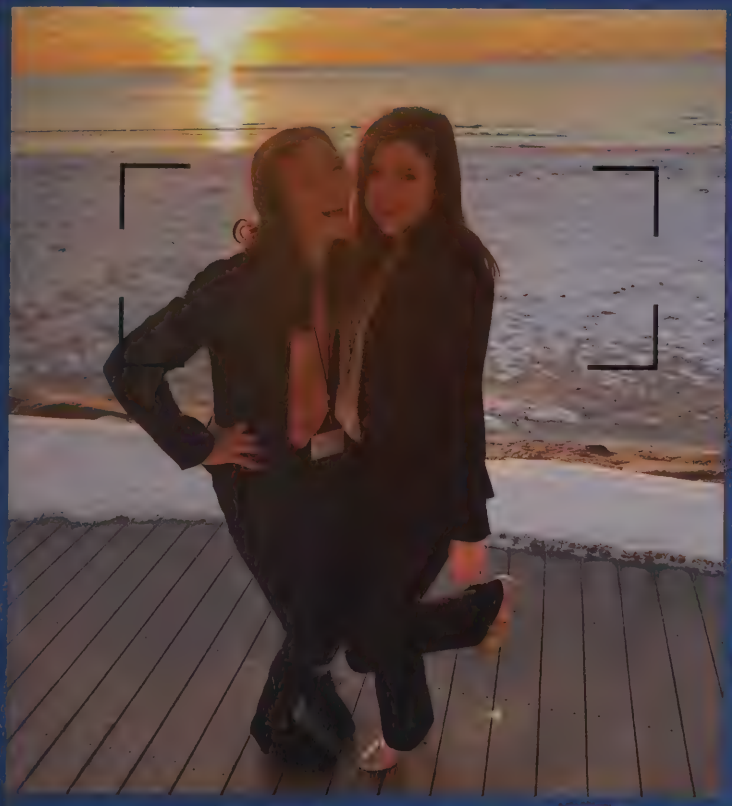
Crochet Club

Ms. Jenkins-Brown meets once a month adter school with students to work on their crochet skills. Student have made booties, scarves and headbands

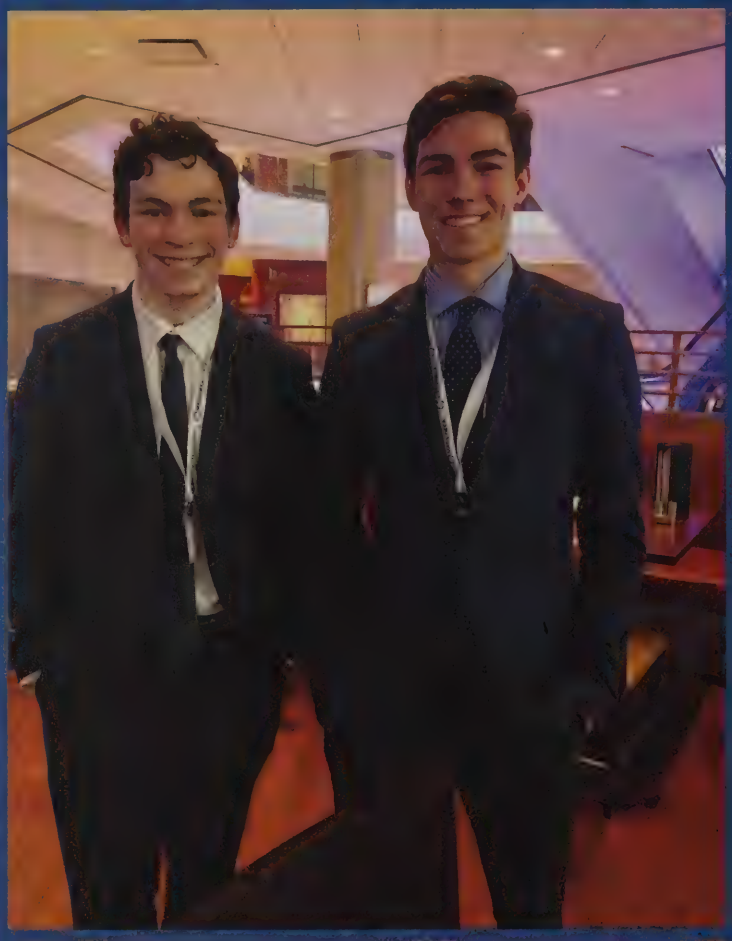
DECA Districts

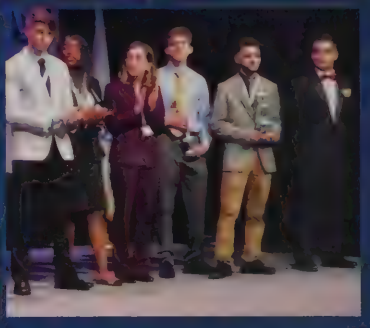
At this years DECA Districts competition we had 135 students competing. In the awards ceremony, our students "cleaned up", making the stage in dozens of different categories and taking home medals, trophies and awards in an impressive number of competitions.





DECA





DECA State

This year we had a hand full of students place top 10 at states and many of those students advance to compete at the international level. We're so proud of all of the contendors.

E Sports

Electronic Sports is an up and coming industry that involves competitive gaming. Our new league, HSEL, gives our students the opportunity to compete against schools all over the country from the comfort of our own classrooms! This fall we competed in 3 different games: Overwatch, Super Smash Bros., and Fortnite. We did outstanding with our Overwatch team coming in 11th, our top Fortnite player, Danny Sullivan, coming in 8th, and our top Smash player, Austin Sheets, coming in 2nd! We are already looking forward to next year and hope to start up both varsity and junior varsity teams so more students can participate!

The second phase of the NEASC Accreditation process begins this week

By Editor Staff

For the last few years, Plymouth North High School has been preparing for the most important visit in a decade.

The time has come for North to undergo accreditation, the process by which the school is examined and determined to be giving the students an education to attend. An organization called NEASC/CPSS, or the New England Association of Schools and Colleges Committee on Public Secondary Schools, is in charge of this evaluation.

"We are not here to inspect," said Visiting Team Chair Kevin McNamara. Rather, they're here to help North become the best it can at preparing students for their lives beyond North's walls.

The Visiting Team will outline areas where North can improve in phase three of the process. The first part, the self-reflective study, wrapped up this year in preparation for phase two, the on-site evaluation taking place this week. For the next few days, officials from NEASC will get a hands on experience with our school, determine its strengths and weaknesses, and the best way to go forward to make sure North excels under the set guidelines.

The Visiting Team will put together a report outlining plans for multi-year long term improvement. McNamara said he wants North to feel like they can be open and honest," so they can gain as much as they can.

North Teachers Allison Pickens and Geoffrey Anstett are the Steering Committee Co-Chairs for the NEASC Accreditation Process. They were in charge of managing all the steps of the self study and the visit itself.

Pickens and Anstett have been working on the self study for over two years now. "Many schools flare their successes in a checklist long, but because we had a transition from one principal to another we extended it so we would have time to do everything we needed to do," said Anstett.

Principal Peter Parrella joined the Plymouth North administrative team halfway through the preparation for the accreditation. Parrella said, "At Taunton High School where I was before, we had just completed the accreditation process. I was able to see the completion of the cycle at my old school and become into the completion of a cycle here."

Every staff member in the school has played some kind of preparing for the Visiting Team, starting this week.

"Our greatest resource has been the support of the administration, [every one has been on board with] growing, be while NEASC process is an opportunity for self-reflection and growth, and as a positive thing," said Pickens. "We've really benefited from having that as a school wide attitude the last two and a half years."

"It's been a lot of meetings, and a lot of constructive conversations about who we are as a school. Everyone was really open and honest and willing to participate throughout the whole process, and this made the self-study extremely valuable," said Anstett.

The committee's major themes that NEASC will be looking for in North's evaluations. The first is the desire to see North fostering a culture of learning.

"When I see all the success in the building, and I see programs that I see that are achieving our mission, and allowing students to thrive," said Parrella.

The visiting Team also want to see North place a greater number and willingness to implement changes we might not yet hit the mark on.

Lowe Edwards, Visiting Team Assistant Chair said they want the report to feel "supportive and constructive." The purpose of NEASC is to improve education across the board - not to tear down schools who fall short.

Finally, they want North to be focused on the visions of the graduate, and what skills are given to kids to best prepare them for wherever life after high school will take them.

We expect a lot of time this week talking about student work," said Parcella. "Talking about 'specs', hearing we want to see in classrooms, and talking about the different types of instruction we want to do."

MCAS results show significant growth

Plymouth North jumps from having an overall 14% of progress towards improvement to 58%

By Melissa Xiong

Last year students around the state took the Next Gen MCAS which replaced the previous test to fit a revised curriculum which measures readiness for success in college or careers after high school. Additionally, the assessment at the ninth grade level was given for the first time exclusively on Chromebooks.

In late September results were made public and Plymouth North showed improvement, overall based on the Massachusetts Department of Elementary and Secondary Education's (DESE) recount ability report.

From each year's MCAS results, the DESE accountability report measures each district and school's performance against their improvement target. 2019's accountability report shows a significant change from 2018 to 2019.

"The big shift is that we went from declining or not meeting targets last year to meeting or exceeding most targets this year," said Principal Mr. Peter Parrella.

Plymouth North jumped from having an overall 14% of progress towards improvement to 58% this year. Plymouth South also improved from 40% to 54%. Both high schools changed from 'Partial Meeting Target' to 'Moderate progress towards target.' Based on this report, progress and improvements made by both schools were obvious.

"Our kids are working hard and doing great things. These reports reflect a more accurate picture of what they are doing," said Mr. Parrella.

While accountability reports were raised, independent student scores declined.

"Compared to last year, scores in general were lower because the test was more difficult," said Dr. Lisa White, Plymouth Public Schools English Language Arts Coordinator.

In an effort to match the state assessment with the raised standards of the curriculum, the 10th grade Next Gen MCAS asked students to meet increased expectations.

DON'T QUIT

When things go wrong as they sometimes will,
When the road you're trudging seems all uphill,
When the funds are low and the debts are high,
And you want to smile, but have to sigh,
When care is pressing you down a bit--
Rest if you must, but don't you quit.

Life is queer with its twists and turns,
As every one of us sometimes learns,
And many a fellow turns about
When he might have won, had he stuck it out
Don't give up though the pace seems slow--
You may succeed with another blow

Often the goal is nearer than
It seems to a faint and faltering man;
Often the struggler has given up
When he might have captured the victor's cup;
And he learned to late when the night came down,
How close he was to the golden crown.

Success is failure turned inside out--
The silver tints of the clouds of doubt
And you never can tell how close you are;
It may be near when it seems afar;
So stick to the fight when you're hardest hit--
It's when things seem worst that you mustn't quit.

God gave us the gift of raising a smart, kind, and handsome son. You have given so much of your time to help others and better yourself, we could not be more proud. For almost 18 years, we have watched you grow into such a compassionate human, and it has been amazing to watch. We weren't always sure we were doing the right thing as parents, but here you are... you know what you want and you have worked your whole life to get you there! Always stay humble and kind... Always remember where your home is... and ALWAYS remember you are loved!

Love; Mom, Dad, Taylor and Sydney

into the important things in life
in order to make their life
as happy and fulfilling as possible.

As your parents, we have tried to teach you
to be good, always helpful to other people
to be fair, always treating others equally
to have a positive attitude at all times
to always make things right when they are wrong
to know yourself very well
to know what your talents are
to set goals for yourself
to not be afraid of working too hard to reach your goals.

As your parents, we have tried to teach you
to have many interests to pursue
to laugh and have fun every day
to appreciate the beauty of nature
to enter into friendships with good people
to honor your friendships and always be a true friend
to not be afraid to stick your beliefs
to not follow the majority when the majority is wrong
to use your intelligence at all times
to listen to your emotions
to adhere to your values.

As your parents, we have tried to teach you
to appreciate the importance of family
to respect and love one another, particularly our elder members
to carefully plan a life for yourself
to vigorously follow your chosen path, be adventurous
to enter into a relationship with someone worthy of you
to love this person unconditionally
to share all that you learn in life with this person.

If your father and I have provided you with an insight into most of these things, then we have succeeded as parents in what we hoped to accomplish in raising you. If any of these things slipped by while we were all so busy, we have a feeling that you know them anyway. One thing we are sure of... we have taught you to be proud of the fact that you a smart, kind, caring, wonderful person in this world. We have loved you every second of your life. We have supported you at all times and as a parent, as a person, and as a friend, we will always continue to cherish and love everything about you. Always wishing you the best life has to offer. . . enjoy the journey!

Love you to the moon and beyond, Mom & Dad

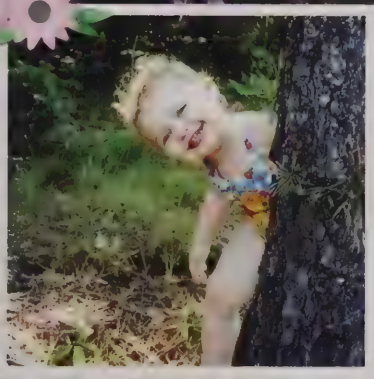
We ARE Proud OF You!



Our little Gracie, our old soul...with the hands and imagination of a true artist. A child who at the early age of four, had the vision and depth to capture in her drawings, stories without words. It was at that moment your father and I realized you had the gift. As you grew, we watched you cultivate this talent and creativity, you have this passion for life, this fire inside, making you unstoppable! You are our dreamer who sees possibilities everywhere, those dreams will bring you much success for they are your realities in waiting.

May you have the courage to take risks, the strength to be compassionate and the wisdom to be humble. Always remember in life there are no mistakes, only lessons.

We love you and are very proud of the young women you have become.

Rylie(Dilly),

October 28,2001 the first of my Irish Twin babies you entered our lives.(I knew you were a girl before you even arrived I just had a Feeling) You are the most Compassionate person I have Ever known! Your Love for Animals- you've been a vegetarian since the age of 3 all on your own doing ,the human race, global warming, Equality for ALL, the fact that you can probably Educate others more easily to Amaze me. If there is such thing as an Old Soul ...You and your Big Brother are Definitely One! Dilly- I will Always remember how you Loved to learn. (In Elementary School you wanted to be a veterinarian until you found out you may have to put an animal to sleep.) you loved learning about history, FACTS, and how you are Constantly trying to make this planet a Better place for future generations. I Honestly am Eternally Grateful that you are , STRONG, Sassy(in a good way), Loving,Caring, so Deep that if people didn't know you they would have no idea how KIND and BIG your heart is. I can't believe that it's Graduation time, you have had to grow up and endure things most have not , and all I can say is that your family is Very PROUD of the young woman you have become.Always stay True to yourself, keep all the values, and traditions you were taught close to your heart,and be the change you want to see in the world. Congrats on a job well done!! We couldn't be Prouder!!

Abby,

Another milestone!! I remember your first day of kindergarten; as you stepped onto the bus with tears in my eyes – I thought to myself "there goes my baby." Seems like it was just yesterday, boy does time fly. Dad and I have watched in amazement as you have grown into the person you are today. You are a talented young lady, a hard worker, and most importantly a thoughtful and kind person. You see the world through rose colored glasses- you see the best in everything.

Someday you'll look back at these pages and think about the people and events that shaped you high school experience. You came into this world shortly after the 9/11 attacks and are graduating during the Covid 19 Pandemic. Life is precious. Live every day to its fullest. Life is full of "speed bumps." Remember to learn from the past and stay your course.

We'll always think of you as our little girl, even though you have grown into a beautiful, strong young lady right before our eyes. Never let anyone dull your sparkle. You are destined for great things!

Congratulations!!

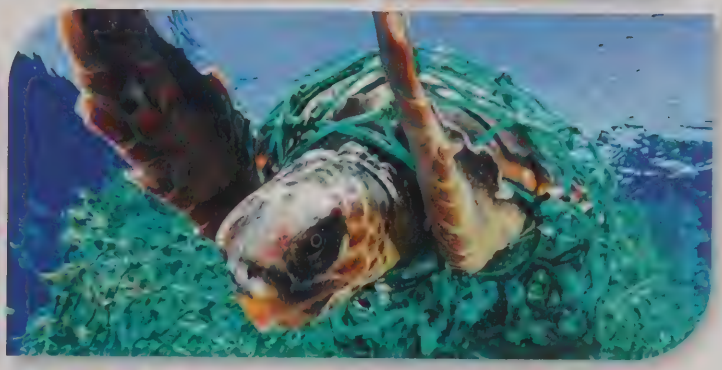
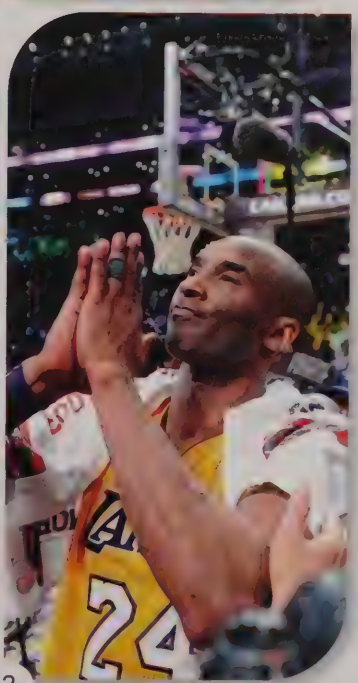
YEAR IN REVIEW 2019-2020





HERO DOG

Conan, a Belgian Malinois special operations military working dog with the U.S. Delta Force, was honored by President Trump for his service during a raid which lead to the death of ISIS leader Abu Bakr al-Baghdadi. Injured in the attack, Conan made a full recovery.

RECYCLED TUITION

A clever school in India asked their students to bring in 25 pieces of discarded plastic from their home or community in exchange for their class tuition.

30,000 LBS OF LEFTOVERS

NFL Green organizers partnered with Centerplate and the food recovery charity, Food Rescue U.S. to bring leftover Super Bowl food to hungry Floridians. Chicken wings, charcuteries, and concession stand and VIP booth leftovers exceeded 30,000 pounds. The donation was expected to feed 20,000 people.

SAVING SEA TURTLES

Seven-year-old Benjamin Ball wrote to L.L. Bean's CEO Steve Smith, "I'm writing to you because I'm a friend of the sea turtles and I want to protect them." Since then L.L. Bean and other major retailers such as Disney, Ben & Jerry's, Starbucks, and McDonald's have joined the anti-plastic straw movement.

BEYOND THE LEGO

The LEGO Group announced they are repurposing the usual knobs on top of Legos as Braille dots, allowing blind and sighted children alike to learn through play.

TONS OF TRASH

The Nepal Army facilitated a Mount Everest clean up with government and non-government organizations. Over the course of five days, two tons of trash left behind by climbers was collected.

CORONAVIRUS EPIDEMIC

The World Health Organization declared a public health emergency after a respiratory illness, originating in China, rapidly infected over 40,000 people and caused over 1,000 deaths, with more expected. The virus spread to other countries causing travel bans and precautionary quarantines for individuals traveling back to the U.S. from China.

PEAK TRAFFIC JAM

At 29,035 feet, Mount Everest is the tallest peak in the world. In 2019, 876 climbers reached the summit. Eleven people died marking this the deadliest season since 2015.

FIRST-TIME VISITOR

President Donald Trump became the first U.S. President to set foot on the North Korean side of the Demilitarized Zone. He shook hands with North Korean leader, Kim Jong Un, marking the first meeting since a cease-fire was signed ending the Korean War in 1953.

TIME PERSON OF THE YEAR

At 16 years old, Greta Thunberg is the youngest recipient of Time's Person of the Year title. The Swedish climate activist started the movement, Fridays for Future, and gained international attention giving a speech at the U.N. Climate Action Summit. She inspired 4 million people to join a global climate strike on Sept. 20 in what was the largest climate demonstration in human history.

NOTRE DAME BURNS

On April 15, people around the world watched a devastating blaze tear through the famed Paris landmark, Notre Dame Cathedral, which collapsed its roof and iconic spire. Over $1 billion was pledged to rebuild the 850-year-old structure.

BUILDING BRIDGES

Pope Francis visited the United Arab Emirates, making him the first pontiff to visit an Arab Gulf state. The UAE authorities and the Pope seek respect for diversity, coexistence, and human brotherhood among the different civilizations and cultures.

HOME FOR HEROES

More than a dozen former Canadian Armed Forces members, who were experiencing homelessness, have a place to call their own. Home for Heroes Foundation built a tiny house village made up of 15 houses equipped with everything from cable and internet to kitchens and outdoor decks.

THAT'S SMART!

Macinley Butson developed Scale Maille Armour for Radiation Therapy to help reduce radiation during cancer treatments. The high-density copper shield reduces excess radiation by up to 75 percent.

FLOATING FARMS

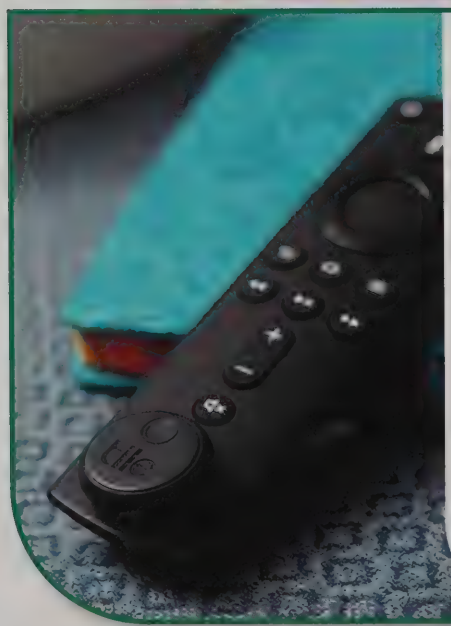
The Netherlands took agriculture sustainability to a whole new water level. Peter and Minke van Wingerden built a three-story floating farm, capable of producing fruit, vegetables, and dairy products. Their innovative system could help victims in natural disasters and doesn't contribute to deforestation.

DRONES PLANT TREES

Flash Forest, a Canadian reforestation company, successfully planted over 165 trees in three minutes using drone technology. Claiming their methods are 10 times faster and 20 percent cheaper than normal tree planting techniques, their goal is to plant 1 billion trees by 2028 using a fleet of aerial drones.

SUNGLASSES & MUSIC

Bose released a match made in heaven—cool sunglasses with built-in wireless earbuds. These new shades are streamed via Bluetooth connection straight to your ears only.



LOST ITEM SOLUTION

Tile released a sticker version of its intuitive tracking solution to help locate almost any item from headphones to skateboards, or even the TV remote. Tile Sticker has a 150-foot range, a waterproof body and a 3-year battery life. Tile's crowd-sourcing feature allows other Tile app users to ping the whereabouts of a Tile that's out of Bluetooth range, setting it apart from just a regular location tracker.

VIRTUAL REALITY SOARS

The virtual reality industry has been growing at an astounding rate. With more devices, at a variety of price points on the market, sales are expected to double every year until 2023.

FOREVER #24

On Jan. 26 basketball legend Kobe Bryant perished at the age of 41 in a tragic helicopter crash. An 18-time All Star, who won five NBA championships with the Los Angeles Lakers, Bryant was the fourth-leading scorer in NBA history. Eight other individuals lost their lives in that crash, including Bryant's 13-year-old daughter, Gianna.

"The most important thing is to try and inspire people so that they can be great in whatever they want to do." –Kobe Bryant

WORLD SERIES CHAMPS

The Washington Nationals beat the Houston Astros 6-2 in Game seven of the World Series to bring home the franchise's first-ever world series title. Stephen Strasburg, the first pitcher to go 5-0 in a post season, was presented the MVP trophy.

A MASTER RETURNS

Tiger Woods donned the green jacket at Augusta National Golf Club after winning his fifth Masters title. This marked his 15th major tournament win and snapped a decade-long championship drought. At 43, Woods became the second-oldest winner of the Masters, behind Jack Nicklaus who was 46.

GREATEST GYMNAST

At a mere 22 years old, Simone Biles became the most decorated gymnast in world championship history. After her incredible performance at the World Championships in Germany, she added five more gold medals to her collection. With a total of 25 gold medals to her name, she surpassed the previous record of 23 by Belarusian Vitaly Scherbo.

THE KING OF CLAY

Rafael Nadal entered the Association of Tennis Professional's top 10 as a teenager in 2005 and never left. In June he won the French Open for the 12th time. He also won the U.S. Open in Sept. after a grueling five hour match, marking his 19th Grand Slam Singles title.

RESERVE PLAYER NAMED MVP

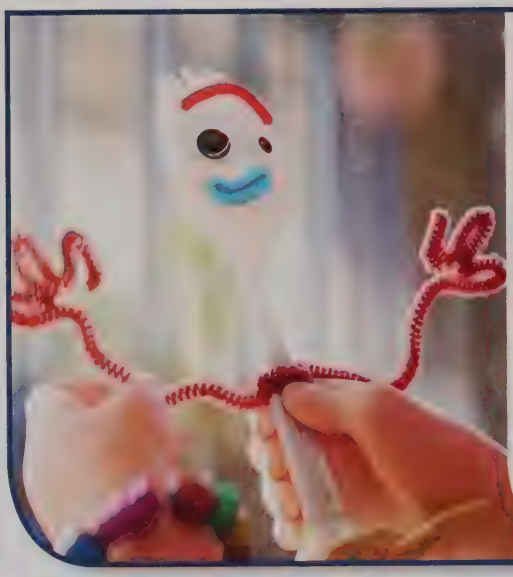
Emma Meesseman became the first Women's National Basketball Association reserve player to be crowned Finals MVP. The Washington Mystics player scored 22 points and helped her team beat the Connecticut Sun for their first title in franchise history.

NO HUMAN IS LIMITED

Eliud Kipchoge is the first person to complete a marathon in less than two hours. He covered the 26.2 mile stretch in 1:59:40. His response to victory, "I wanted to send a message to the world that no human is limited."

AREA 51

Matty Roberts created a virtual Facebook event to "Storm Area 51" on Sept. 20 as a joke. When over 2 million people RSVP'd, FBI agents showed up to investigate. The event turned into a music-filled weekend cleverly named "Alien-Stock" but no actual aliens were spotted.

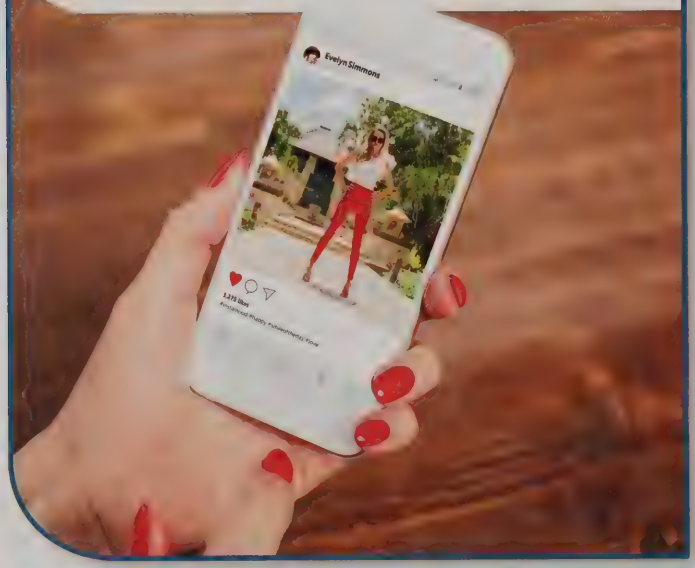


CAN YOU EVEN NAME A SPORK, FORKY?

"Toy Story 4" released a new character constructed from a spork, a pipe cleaner, some googly eyes, clay, and a popsicle stick. His silly appearance had fans wondering, is he a toy or is he trash?

LIKE IT OR NOT

In response to concerns for users well-being, Instagram tested its platform without the like feature. The goal being to increase the focus on the content shared rather than how many likes received. Users were able to view likes on their own photos and videos — just not posts from others.



ROYAL CHANGES

Archie Harrison Mountbatten-Windsor, son of Prince Harry and Duchess Meghan was born May 6. Since Baby Archie's arrival, Prince Harry and Meghan have decided to step down as "senior" members of the royal family, but vowed to continue supporting the Queen and the Commonwealth.
